

# LEARNING SUPPORT SERVICE

Does your language learner need support?

## PROGRAM DETAILS

This **free** program provides **specialized, tailored support** to English language learners enrolled in LINC and ESL programs, helping them build confidence and strengthen their capacity for language learning. It also offers professional development opportunities for LINC and ESL teachers, equipping them with tools and strategies to better support their learners.

### What we offer:

For students:

- One-on-one sessions at CIWA or in the community
- Learning strategies development
- Referrals to services and community resources

For LINC and ESL teachers:

- Teaching strategies development
- Professional development workshops
