

# PATHWAYS TO SUCCESS

Discover your strengths and explore future careers with guidance from inspiring mentors

## PROGRAM DETAILS

CIWA's program supports girls in building confidence and preparing for their future careers. Through a *year-long, career-focused mentorship*, participants are matched with mentors who share similar interests and understand the challenges of settling in a new country.

### What You'll Get:

- A mentor matched to your interests
- Opportunities to discover your strengths, make new friends, and explore different career paths
- Pre-employment skills workshops and field trips
- A 20-hour job shadowing experience
- Group activities to meet employers and learn from professionals in various fields
