

HER WAY FORWARD: PATHWAYS TO JUSTICE

Legal Navigation Support for Immigrant Women and Families

PROGRAM DETAILS

This program helps immigrant women understand and navigate the legal system in Canada, and provides clear information, practical guidance, and supportive services so women can understand their rights and make informed decisions.

We work to reduce language and system barriers to help women feel more confident when dealing with legal matters.

What We Offer:

- One on one support to help you understand the legal system, including family law, criminal law, immigration law, and civil law
- Clear information about your legal rights and how the legal system works
- Help connecting to legal aid, lawyers, and mental health supports
- Guidance on legal processes and next steps
- Emotional support and accompaniment to court and legal appointments

ELIGIBILITY

Immigrant women 18 years and older in Calgary who have experienced gender-based violence

Women of all immigration status are welcome

Legal systems can be confusing, especially in a new country. This program provides support so women do not have to face these challenges alone.
